

**Sunsetview Farm Camping Area
COVID-19 Update**

Updated August 24, 2021

Due to rising covid cases, at this time we strongly recommend wearing masks when in any public buildings, in all common areas, and at events where social distancing cannot be maintained.

As cases continue to rise, we may see state mandated restrictions return, we may decide to add restrictions, and we may have to restructure or cancel upcoming events.

Our hearts go out to those families who have been impacted.

Stay tuned and be safe.
