Seasonal Campsite Contract Page two of two

1. Tenant agrees to pay campsite fees in full by April 1, 2023.
2. Tenant agrees to use the premises for camping only and does certify that the site cannot be sublet. Adding tenants to the campsite after the original contract has been signed does NOT give the additional tenants any right to continue camping on the site after the original tenants cease to camp on a regular basis.
3. This property being privately owned, the Tenant accepts camping privileges with the understanding that he or she does hereby release Sunsetview Farm Camping Area Inc., it's officers and employees of all liability for loss or damage to property and injury to his\her person arising out of his\her use of its camping facilities and agrees to indemnify Sunsetview Farm Camping Area Inc., it's officers and employees, against claims resulting from loss or damage to property or injury to the person of any member of the family or guest of the Tenant, arising out of the use of its camping facilities and provided that the loss is not caused solely by the negligence or fault of the landlord.
4. Tenant agrees to read and comply with all campground rules and regulations. It is your responsibility as a seasonal camper to inform your guests of our fees and policies. You as the registered tenant will be held accountable for any problems arising from your camping party or guests. If we have an issue with a campsite three times, the campsite, or the campsite's privileges will be in jeopardy. If we deem the problem or problems are serious enough, there will be no warnings. You will lose the campsite or the campsite privileges.
5. Tenant agrees to carry his\her own liability and comprehensive insurance to protect against theft, vandalism and damage caused by wind, fire, water, freezing, hail, snow or falling trees.
6. Tenant will pay utilities and other services rendered in full each month.
7. If you do not renew your contract for the following season, you must take your trailer out of the campground before the campground closes for the current season covered in this contract.
8. Tenant understands that if they sell or gift their trailer, the new owner does not have access to the campsite.
9. Tenant agrees to our payment schedule: \$500.00 deposit 08/15/22/\$500.00 02/01/23 / Balance in full 04/01/23.
10. Tenant understands our refund policies in the event they are not able to camp:
 - The \$500.00 deposit is non-refundable and cannot be used for any other function under any circumstance.
 - You must contact us by April 1st if you are not able to camp for the season. If you have notified us by April 1st, and your trailer is out of the campground, we will refund any monies paid with exception of the \$500.00 deposit.
 - If your trailer is on the site, and you do not contact us before April 1st, you will lose the \$500.00 deposit and the \$500.00 February payment (\$1,000.00) as a cancelation fee.
 - If for any reason you can no longer camp with us, we will refund for time not used meaning, the trailer is off the site and out of the campground, and we have been notified that you are not camping. We will not refund cancellation fee, see above.
 - HOWEVER, NO SEASONAL REFUNDS WILL BE GIVEN AFTER JULY 1, 2023 REGARDLESS OF THE CIRCUMSTANCE.
11. A late fee of \$100.00 will be applied if the balance is not paid in full by April 1, 2023.
